

## A cut above

It may boast a traditional exterior façade, but if you are looking for contemporary style this fabulous five bedroomed house really stands out. Showcasing a striking minimalist design, the owner has brought a real sparkle to the décor with a series of dazzling additions: chandeliers hang in the bedrooms, for example, and paintings add a splash of colour to contrast with the more neutral furnishings. On the ground floor, the state-of-the-art kitchen is framed by floor-to-ceiling windows and a part glass roof, with doors leading out to the garden. Each of the property's five floors is perfectly laid out, and on the first floors lies the stunning master bedroom; with its own dressing room and luxurious en suite with free standing bath, it is just another of the breathtaking features that make this property a cut above the rest.
